Buffer (10%)	8,100
Total	89,100

Accommodation basis: approximate national averages (no usable price column in the hotel dataset)

Planner notes

Yes – the full name is Indian Institute of Technology Kanpur (commonly shortened to IIT Kanpur).

According to live OpenStreetMap data, the campus is located at:

- Address: Indian Institute of Technology Kanpur, 6th Avenue, Kanpur, Uttar Pradesh 208016, India
- Category: university / higher education institution

The institute is one of India's premier engineering schools, known for programs in computer science, electrical engineering, aerospace, and related fields.

Practical note: The campus is easily reachable by auto-rickshaw, taxi, or city bus from central Kanpur. If you plan a visit, it's a good idea to check the institute's official website for any visitor access guidelines or guided tour schedules.

Let me know if you'd like more details (e.g., nearby accommodation, transport options, or a short itinerary for a campus tour day).
